July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

We previously delivered a notification outlining traffic management on short sections of the A446, north of Gorsey Lane on Monday 18 July. This traffic management will allow us to complete a trial hole.
