

Notice of temporary traffic lights along Station Road, Coleshill

July 2022 | www.hs2.org.uk

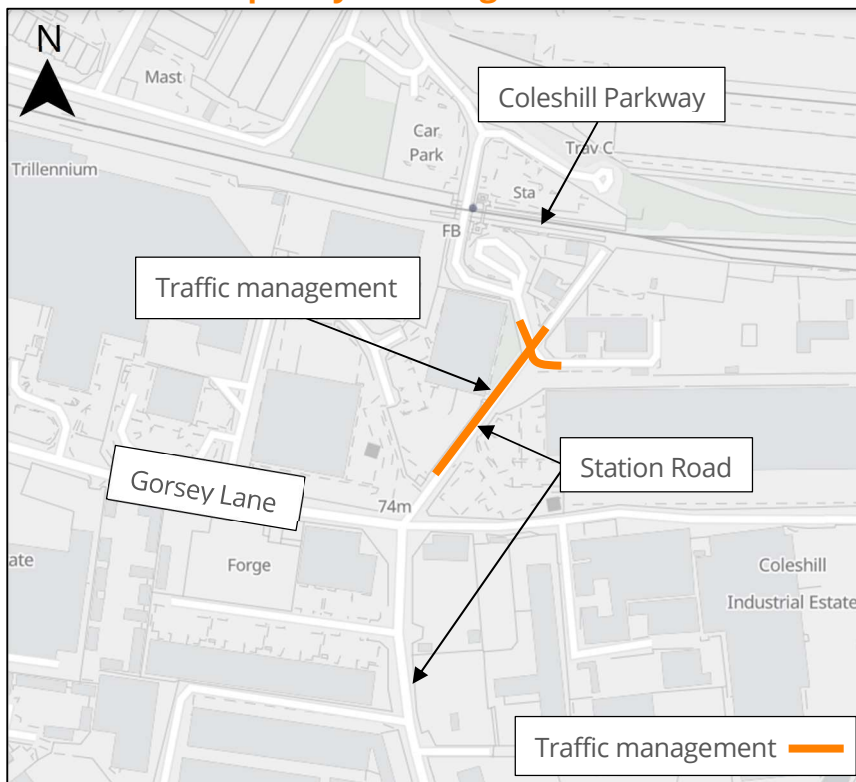

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To assist our preparation for the construction of the future HS2 railway, we need to carry out surveys in the area. These surveys will include inspecting the condition of existing drainage infrastructure using CCTV cameras. To conduct our surveys safely, we will install temporary traffic measures in the area when required.

To safely carry out CCTV surveys near Coleshill Parkway Train Station, we'll install temporary traffic lights along a short section of Station Road from **9.30am to 3.30pm on Monday 1 August** (see map below).
