

Lorry lay-by on Park Village East south - autumn

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Lorry lay-by opposite Richmond and Goldsmith houses

We are carrying out major construction in a narrow worksite next to a live railway with restricted access for the delivery and collection of materials. From autumn, there will be extended periods where we cannot use our Hampstead Road and Stanhope Street gates to access the Camden Cutting worksite because the track-level works and machinery in this area will not allow space for vehicles to safely pass.

To provide the necessary access, we have started planning a lorry lay-by at the southern end of Park Village East to collect and deliver materials over the brick wall. This hoarded lay-by will be in the footway and carriageway north of the Stanhope Street site gate. **The lay-by will take about four weeks to install and will be in place until 2028. We expect to complete the design in September and start installation soon after.**

We need to suspend about 20 parking bays to make space for the lay-by. We know how important your parking spaces are and we are working closely with Camden Council to find alternative parking. We will give you an update as soon as we can confirm the parking impacts and any mitigations.

We will maintain your privacy and access. We will also ensure traffic, cyclists, pedestrians and emergency services can safely pass.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or HS2enquiries@hs2.org.uk

Ways to get involved

We understand this is a significant impact for people living close by. We encourage you to share your feedback with us about the lay-by or any of our works or plans. Your feedback is important. It helps us better understand what it is like to live near a major construction site and what we can do to help make it a little easier.

You can speak with us at our pop-up sessions (see below for more information). If you are unable to meet with us at one of our pop-up sessions, we can arrange to speak with you at a more convenient time. Just call the HS2 Helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk with your contact number (include 'PVE lay-by' in the email subject) and we will contact you.

You may prefer to pass your comments to your local community representatives for the Camden Community Traffic Working Group or chairs of the local resident associations, who we involve in our planning of lay-by construction works.

If you can spare 5 to 10 minutes, we kindly ask you to complete our [feedback form](#) (or scan the QR code below). If you wish to discuss your feedback or any of our works, we would be happy to contact you on the details you provide in the form.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation
