

Update: CCTV surveys on Mandeville Road, Badminton Close and Belvue Road

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

You can sign up for regular updates in your local area at www.hs2inbrentandealing.co.uk

What we are doing

We wrote to you previously to let you know that we would be carrying out utility surveys in February. Due to unforeseen circumstances, we need to undertake further surveys on Mandeville Road, Badminton Close and Belvue Road which will now take place from 18 to 24 July 2022.

We will investigate the condition of the sewer system using a CCTV camera mounted on a small robot. Should we find a blockage we may need to flush the system using a high-pressure water jet to carry out the investigation. The surveys will inform us how best to protect these utilities ahead of tunnelling later this year. Detail of dates and locations are shown on the maps overleaf.

How these works might affect you

Temporary traffic management, lane closures and parking bay suspensions will be in place for the duration and dates shown on the maps overleaf. We will reinstate after each investigation has been completed. Parking bay suspensions will be in place to support the traffic management.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
