

## Update: extended working hours at Canterbury Works site

August 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face contact with communities, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any questions relating to our response to the Covid-19 pandemic.

### Network Rail enhancement work extended hours

Works are ongoing within the Network Rail land at the north end of the site, opposite the rail tracks, in preparation for future works. These works need to be carried out overnight when trains are not running, to ensure the safety of staff.

The following dates and times for extended working hours have been agreed with Network Rail and Brent Council.

- 7pm on 06 August to 12pm on 07 August 2022
- 7pm on 13 August to 12pm on 14 August 2022
- 7pm on 20 August to 12pm on 21 August 2022
- 7pm on 27 August to 12pm on 28 August 2022

We do not anticipate these works to be disruptive, but you may hear additional noise from vehicle movements, the use of tools and construction plant usage. Additionally, task lighting will be in place near the railway tracks.

For more information about these works, please see the previous notification at
