

Update: utility surveys in your local area

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

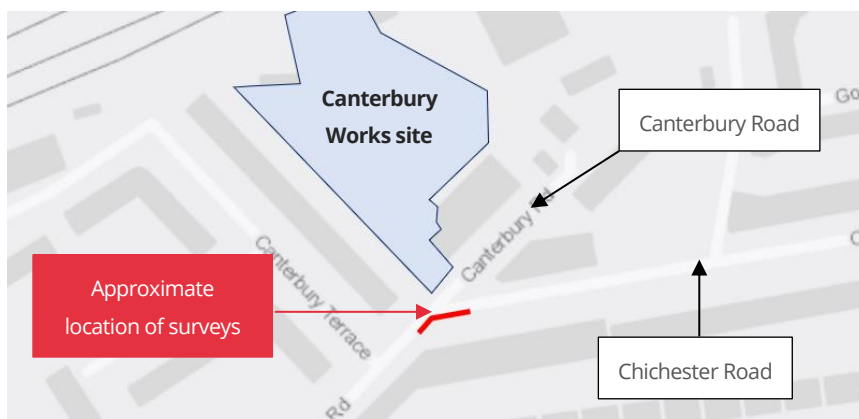

We continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work in is our priority. Please contact the Helpdesk if you have any questions relating to our response to the Covid-19 pandemic.

Drainage surveys planned on Canterbury Road

We recently wrote to you in early July 2022 about carrying out drainage surveys on Canterbury Road on the junction with Chichester Road. The works have been rescheduled and we will now take place overnight from 22 to 26 August 2022 between 8pm to 6am Monday to Friday.

The surveys will help us to understand the condition of the drainage system in the area and how best to protect them during the construction of the railway. We will investigate the manhole using a 3D camera scanner to capture internal dimensions and the condition of the sewer system. Once completed, we will replace the manhole cover.

We will have a temporary lane closure and traffic lights in place on Canterbury Road on junction with Chichester Road.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
