

Notice of utility surveys in your local area

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

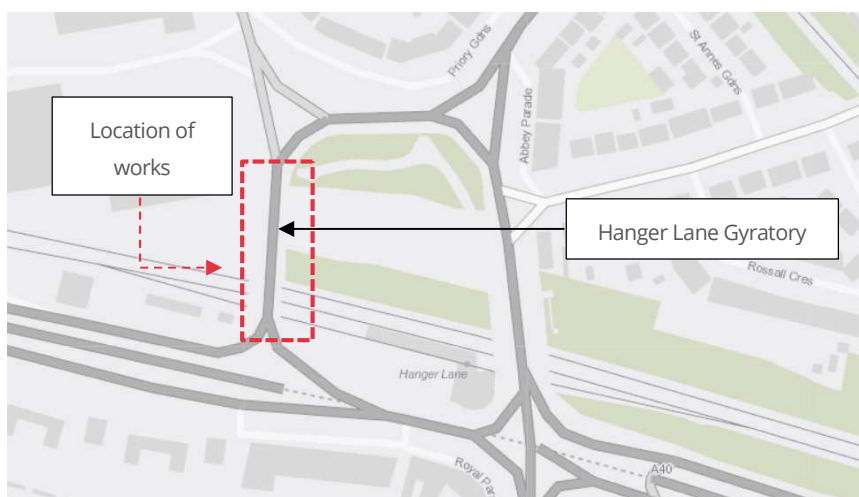

Works planned on Hanger Lane roundabout

Overnight from 2 to 5 September 2022 between 11pm to 5am, we will be carrying out jet washing on the western side of the Hanger Lane Gyratory. We will use a high pressure water jet to clear bridge joints of debris and allow a visual survey to be undertaken.

We will use noise reducing barriers where possible to help minimise any noise disruption to the local community, working as efficiently as possible whilst keeping our work areas safe and tidy.

How this might affect you

To ensure the safety of the public and our staff, temporary lane closures will be in place on the Hanger Lane Gyratory. Bus stop B and C will be suspended during this time. You can view the location of these works on the map below.

Dates mentioned in this notification may change. We will provide updates at www.hs2.org.uk/in-your-area/map/

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
