

Notice of spray applied water proofing system at Old Oak Common

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

Spray applied waterproofing system

On the dates 11, 12, 18 and 19 August, we will be carrying out some waterproofing works. This activity involves spraying a waterproofing product onto the reinforced concrete structure to protect from water damage, such as leaks, and ensuring longevity of the station.

This activity will take place within the confines of the HS2 Station Box in the Stamford Brook Sewer and the ground floor slab towards the East of the site. Please see the map on Page 2 for the location of these works.

On the 11 and 12 August, this activity will take place within the confines of the HS2 Station Box Stamford Brook Sewer and on the 18 and 19 August, it will take place at the East Box site. These works will take place during the normal working hours of 8am – 6pm.

The waterproofing product is not toxic; however, it has a distinctive smell during application. This smell typically disappears once cured approx. 2 hours after application.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

On the dates 11, 12, 18 and 19 August, we will be carrying out the activity of spraying a waterproofing system.

This will take place during normal working hours of 8am - 6pm.

What to expect

A distinctive smell for several hours during the day.

What we will do

We will use best practicable means to minimise any disruption by applying the waterproofing system within the enclosed area of the Stamford brook Sewer and the furthest section of site at the East Box, minimising any smell where possible.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
