

Notice of works, A41 and Blackgrove Road, Fleet Marston

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inoxandbucks.co.uk.

What are we doing?

As part of our preparatory works, we will be carrying out localised vegetation clearance and installing a temporary fence along Blackgrove Road.

In order to carry out these additional works, we will need to extend the length of our traffic management that is currently in place for our crossing point on Blackgrove Road. For reasons of safety, there will be traffic management in the form of multi-phase lights in place for approximately 5 days.

We will be monitoring the timing of the lights as well as the traffic flow on these roads. Where practical, we will make improvements and adjustments to the lights as required.

Additionally, we will also be carrying out further works in late 2022 in the Fleet Marston area. These works are in preparation for the realignment of the A41 and will require a full 24-hour road closure for approximately one week as we will be working directly on the carriageway. These works are subject to consents and once further details can be confirmed we will update communities.

When will these works take place?

Blackgrove Road will have additional traffic management from Monday 15 August to Friday 19 August 2022, between 8.00am and 6.00pm. There may be a short duration outside of these times to allow for the set-up of road signage and traffic lights.

We will work to open the roads to reduce disruption as soon as possible. These works may be subject to change due to weather and other circumstances outside of our control.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
