

CCTV surveys on Mandeville Road and Ealing Road

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As part of the construction, Skanska Costain STRABAG Joint Venture (SCSJV) are continuing the construction works on behalf of HS2 Ltd within the Brent and Ealing area.

You can sign up for regular updates in your local area at www.hs2inbrentandealing.co.uk

What we are doing

From 12 to 17 September, we will be carrying out utility surveys at Mandeville Road, Ealing Road and Belvue Road.

We will investigate the condition of the sewer system using a CCTV camera mounted on a small robot. Should we find a blockage we may need to flush the system using a high-pressure water jet to carry out the investigation. The surveys will inform us of how best to protect these utilities ahead of tunnelling later this year. Detail of dates and locations are shown on the map overleaf.

How these works might affect you

Temporary traffic management, lane closures will be in place to ensure that the surveys can be conducted safely. Bus stop suspensions will be in place for the duration. Dates are shown on the map overleaf.

There will be intermittent noise whilst the road surface is being broken. We will use noise reducing barriers as well as other methods to assist with mitigation.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
