

Notice of Road Closure – Coleshill Heath Road

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

The work we will be doing

The new railway will pass over Colehill Heath Road and past Heath Park on an elevated retained wall structure. This will require several utilities such as electricity and telephone cables to be diverted so that our works do not interfere with the supply. In the summer, just after the Commonwealth Games, we will be digging new trenches, laying new pipes and cables then and reinstating above ground. To do this safely we will close Colehill Heath Road over night for a period of Six weeks.

When these works will take place

The works will happen overnight from Monday 22 August until Monday 26 September. We will close the road between 9pm and 5am Monday to Friday. Depending on the progress made and in order to avoid future closures, we may work over some weekends, but this will be limited to night time closures.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
