Emergency closure on Sidmouth Drive

Due to safety concerns and following discussions with the London Borough of Hillingdon, we have taken the decision to close Sidmouth Drive at the junction with West End Road. The closure will be in place from Wednesday 24 August for approximately two weeks, until we complete the utility works on West End Road.

We need to close Sidmouth Drive to control the flow of traffic in the area and ensure that pedestrians and our workforce are safe at all times.

This is similar to the closure that was in place in January to facilitate utility survey works. We will ensure that adequate signage and supervision is in place for the duration of these works.

We apologise in advance for any inconvenience that this road closure may cause.

There will be a diversion route to be used during the road closure. The diversion will be fully signed and managed at both ends of the closed section. The diversion route will be via West End Road, Torrington Road, and Victoria Road. Please see maps overleaf showing the location of the road closure and diversion route.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
