

Notice of traffic management on Lichfield Road & Marsh Lane, Whittington- Updated

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

To enable the construction of the new railway we will need to divert utilities, create accesses to our working areas and set up satellite compounds. We will be diverting a gas main on the Lichfield Road and completing some site clearance works. During this period we will also construct a new temporary access at the junction of Marsh Lane which will be used to create a haul road and a compound, to support the construction of a new underbridge. This underbridge will allow the railway to cross over the Lichfield Road.

How we will affect you

To carry out our works safely we will:

- Close Lichfield Road and Marsh Lane for four weeks. The closures will start Monday 15 August and will finish Sunday 11 September 2022.
Access to properties will be maintained throughout these closures.
- We will follow these closures by having temporary traffic lights at this location for five weeks. The traffic lights will be in place from Sunday 11 September to Sunday 16 October. The closure and traffic lights will be in place 24 hours a day.
- Throughout these works, our working hours will be 8am until 6pm.

Access to properties along Lichfield Road and Marsh Lane will be maintained.

Where we will be working

The map on the following page details the road closure and the signed diversion route which will be in place Monday 15 August to Sunday 11 September. The temporary traffic lights will be in place at same location as the road closure from Sunday 11 September to Sunday 16 October.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
