

Notice to extend the traffic management on Lichfield Road, Lichfield

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

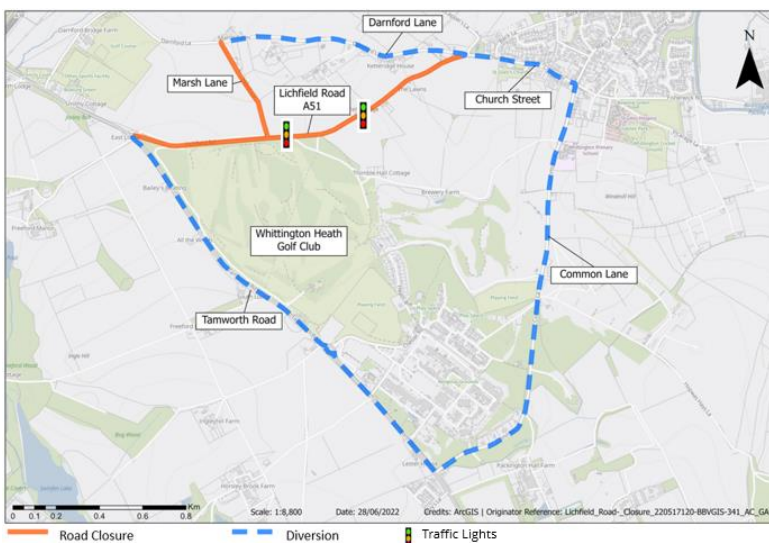

To enable the construction of the new railway we will need to divert utilities, create accesses to our working areas and set up satellite compounds. We will be diverting a gas main on the Lichfield Road and completing some site clearance works.

How we will affect you

Following our recent closure, we will now install temporary traffic lights at the same location for six weeks. The traffic lights will be in place from Sunday 11 September to Sunday 23 October. These traffic lights have been extended by a week.

Where we will be working

See below map showing the location of the temporary traffic lights. Please note the road closure and diversion will no longer be in place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
