

Notice of mobilisation of worksite at Coleshill Heath Road

July 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We will soon be mobilising our work site to the north side of Coleshill Heath Road adjacent to Yorkminster Drive. This site will start receiving deliveries of stone and other construction materials. Vehicles will be moving in and out of our site and shaping the materials to form piling platforms. There will also be welfare facilities on site for our workforce.

When will these works be happening?

We will start using this site from Monday 15 August and it will remain in use while we build the new railway. Our normal working hours are 8am to 6pm Monday to Friday, and 8am to 1pm on Saturday's.
