

HS2

UK Power Networks Construction Works

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face engagement with communities, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any questions relating to our response to the Covid-19 pandemic.

What are we doing?

In order to prepare for the future railway, UK Power Networks need to carry out work along Atlas Road, at the Willesden Euro-terminal (WET) site, at the National Railway site, and at the National Grid site.

UK Power Networks will be carrying out surveys along Atlas Road to determine the location of underground infrastructure and enable completion of design. The surveys along Atlas Road will be segregated from vehicles and pedestrians and will require partial road closure for the duration of the works. Access for the bus depot will be maintained at all times. All relevant consents/site access from associated stakeholders/landowners will be obtained prior to starting works in the given area. The works will include Ground penetration radar and utilities surveys along Atlas Road.

UK Power Networks works commence on 16 August 2022 for four to five days with the requirements for a partial road closure along Atlas Road.

How will this impact you?

UK Power Networks will be working in the area highlighted yellow on the map on page 2.

UK Power Networks has a responsibility for delivering has a responsibility for delivering electricity services to homes and businesses across the region, and will ensure that the impact of any work is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration

Work will start on 16 August 2022 for four to five days.

Our core working hours are Monday to Friday 8:00am to 6:00pm, and Saturday 8:00am to 1:00pm.

We will be on site one hour before and after the end of each shift

What to expect

Partial road closure along Atlas Road for surveys

What we will do

Maintain electricity services.

Complete the work as quickly as possible to avoid disruption and maintain access throughout.

We'll keep you informed of any changes.

Map showing the section of Atlas Road where the surveys will be conducted.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
