

Notice of utility and construction works on Harvil Road

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

As we reintroduce face to face contact with communities, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any questions relating to our response to the Covid-19 pandemic.

You can sign up for regular updates in your local area at

HS2 & SCSJV Information Hub

Our Community Information Hub is open for drop-ins every **Monday** and **Wednesday** from **2pm** to **4pm**.

Our Community Engagement team will be available to answer your questions about the project and the works in Hillingdon and Northolt. You can find us in the portacabin on the right of West Ruislip Portal entrance on Ickenham Road.

What we are doing

From 30 August 2022 to 5 September 2023, we plan to complete major utility diversion works and realign a section of Harvil Road.

We will be carrying out the main utility works and constructing the new road realignment simultaneously. The works will involve:

- Installation of Water Main and communication ducting
- Diversion of existing utilities into new utility corridor
- Chamber construction (water and communication)
- Existing road demolition
- Highway & drainage construction
- Surfacing, white lining, and street furniture
- Site fencing realignment

The overall scheme will be completed in three phases between late August 2022 and early September 2023, with the main construction work taking place within our construction site boundaries on Harvil Road.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
