

Notice of cycle and pedestrian surveys at M6 J15 / Hanchurch Interchange and surrounding roads

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Working on behalf of HS2 Ltd, Balfour Beatty is carrying out pedestrian and cyclist surveys at the Hanchurch Interchange and surrounding roads.

What we are doing

HS2 Ltd is proposing to make changes to the Hanchurch Interchange at J15 on the M6, Newcastle Road, Clayton Road and the junction of Newcastle, Trentham and Whitmore Road, to improve the traffic flows during the construction of HS2.

As we continue to develop our scheme design, we need to undertake further cycle and pedestrian counts on footpaths at the Hanchurch Interchange and the surrounding roads.

To do this, we will need to install temporary CCTV cameras at the following locations:

- 2 cameras at the junction of Newcastle Road and Whitmore/ Trentham Road;
- 2 cameras south of Hanchurch roundabout/ start of Newcastle Road;
- 2 cameras north of Hanchurch roundabout/ start of Clayton Road; and
- 1 camera opposite the footpath linking Clayton Road and Melville Court.

The cameras will help us calculate cycle and pedestrian counts. We will use this information to help us inform the design of the junction widening work.

Subject to consent, we will put the CCTV cameras in place on existing lampposts at 8pm on Monday 22 August and remove them on Wednesday 24 August 2022. The survey will begin at **00:00 and until 23:59 on Tuesday 23 August 2022.**
