

Notice of traffic management, A418 Oxford Road

August 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

As part of continued preparatory works UKPN will be diverting an electricity cable along the A418. This diversion will enable us to begin using our temporary access to our A418 compound and will facilitate upcoming works for the permanent realignment of the A418.

In order to carry out these works safely, we will need to introduce temporary traffic management in the form of a lane closure with two-way traffic lights. We will work to open the lanes to reduce disruption as soon as possible.

We will be monitoring the timing of the lights as well as the traffic flow on the A418. Where practical, we will make improvements and adjustments to the lights as required.

We understand that we are providing short notice for these works; unfortunately, utility related works are sometimes confirmed with short notice.

When will these works take place?

The A418 will have traffic management overnight, 8.00pm to 6.00am from Monday 15 August 2022 for approximately two weeks.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
