

Kings Bromley 6 - Public Right of Way (PRoW) diversion

The diversion will be place from Monday 12 September 2022.

High Speed Two (HS2) is the new high speed railway for Britain.

Balfour Beatty VINCI (BBV) is working in partnership HS2 Ltd to build the new railway in your area. To ensure the safety of the public during our works, we will install a temporary diversion of PRoW Kings Bromley 6. The diversion will be in place until 2026, without affecting the public's use of the PRoW.

If you have any questions about the footpath closure, our HS2 Helpdesk team are available all day, every day, to answer your enquiries via:
