

UDPATE: Notice of Lane Closures at Stonebridge Island

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

UPDATE:

We recently informed you about lane closures on the Stonebridge Island in order to carry out some GPR surveys. This work has taken longer than we had anticipated, and we will need a further day to complete the work. The lanes will now re-open on Friday 2 September.

The work we will be doing

BBV will be carrying out GPR surveys at the Stonebridge Island the roundabout linking the A45 (Coventry Road) with the A452 (Kenilworth Road). GPR uses radar pulses to create a profile of what the ground looks like beneath the surface. GPR can be used in a variety of ground conditions, including rock, soil, pavements, and structures. The GPR can be pushed along by hand, attached to a buggy or – on a larger scale – can be attached to a van or tractor.

To carry out this work safely we will need to close lanes on the roundabout and its approaches.

When these works will take place

The work will start on Monday 22 August until Friday 25 August and then resume on Tuesday 30 August and finish on Friday 2 September. The lanes will be closed from 09:30 and 15:30.

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue, as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

Duration of works

- Monday 22 August until Thursday 25 August and then resume on Tuesday 30 August and finish on Thursday 1st September.
- The lanes will be closed from 09:30 and 15:30.

What to expect

- Very low levels of noise from the work we are completing.
- Slightly longer waiting times at the approaches to the roundabout

What we will do

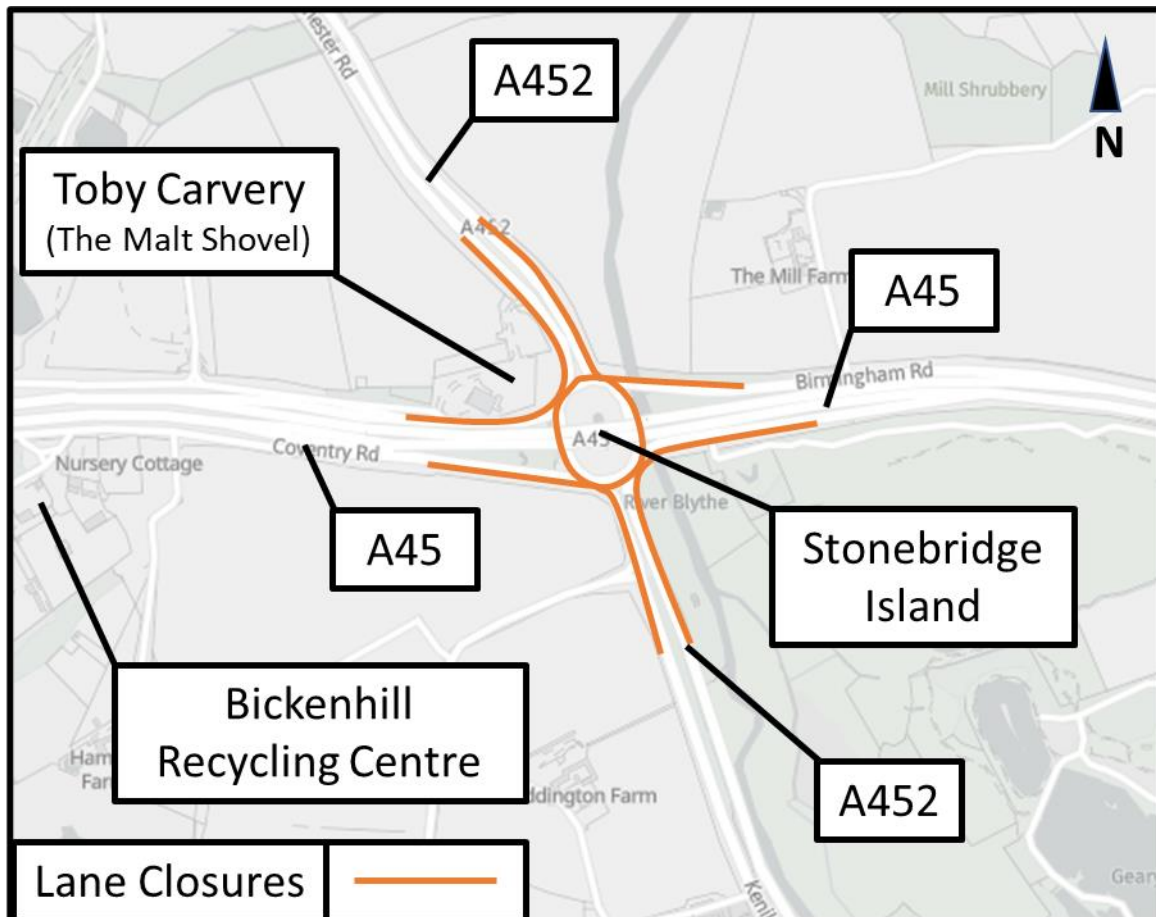

- Keep you up to date with any changes at www.hs2insolihull.co.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
