

Notice of utility surveys at Hanger Lane roundabout

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Works planned on Hanger Lane Roundabout

Between 26 September to 28 October 2022, we will be carrying out a series of overnight ground investigations on the Hanger Lane Roundabout. The ground investigations will take place between 10pm to 6am Monday to Saturday.

The ground investigations will consist of digging a temporary trench to confirm the location of utilities under the surface of the road and footpath. The investigations will help us to understand and aid the design of the new railway and the best ways to protect or divert any utilities during construction.

We will be working as efficiently as possible whilst keeping our work areas safe and tidy.

How this might affect you

To ensure the safety of the public and our staff, temporary changes will be in place on the Hanger Lane Roundabout.

We will have bus lane and lane closures in place overnight. The footpath closures will be in place overnight and during the day, pedestrians will be able to use the subway during these works. You can view the different traffic management phases on the following pages.

Your utility services will not be affected during these works.

The dates in this notification may change. We will provide further updates [here](#).

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
