

Notice of traffic management on A446, near Coleshill

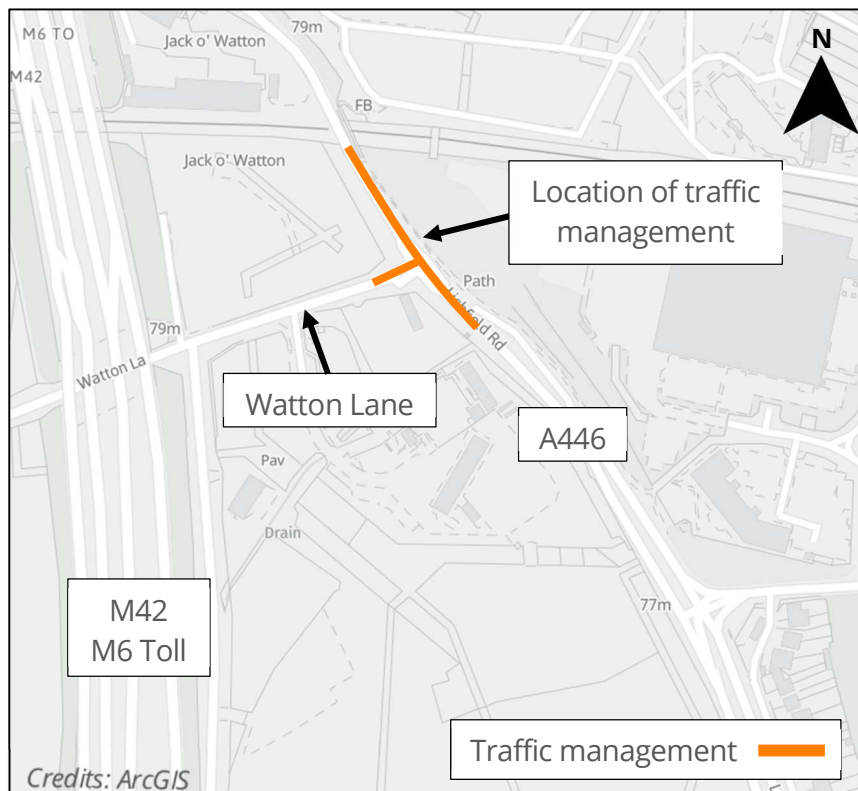

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be completing

To continue to prepare for the construction of the Chattle Hill Structure, BBV will complete utility diversion works on the junction of the A446 and Watton Lane, near Coleshill.

The works will take place from **Monday 3 October until Friday 4 November**. In order to complete these works safely, we will implement a 24-hour, three-way traffic light system throughout these works. **(Location shown on map below)**. This traffic management will be in place 24 hours a day due to the excavation works that are required as part of this work. This will allow traffic to move around the works safely. The traffic lights will be manually operated throughout the hours of 7am until 7pm, to ensure traffic flows as freely as possible.

Duration of works

- Traffic management on the A446 and Watton Lane from 3 October until 4 November

What to expect

- 24-hour, three-way traffic lights to be in place on Watton Lane and the A446
- Traffic lights to be manually controlled between 7am and 7pm
- Our working hours are from 8.00am until 6.00pm on weekdays and 8.00am until 1.00pm on Saturdays
- Our workforce may be on site one hour before and one hour after, to set up and take down equipment
