Notice of Utility Works

September 2022 www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What are we doing

Severn Trent has been asked to carry out a diversion of a strategic sewer that is currently located in the way of the HS2 railway line.

The sewer diversion will start in the fields just to the south of Coleshill Manor, then head north-east crossing under the M42 motorway, and then head north along the eastern side of Gilson, ending just to the north of the village.

Due to the make-up of the soil in this area, part of the tunnelling works requires 24 hour working. We will be working in this area between Monday 3 October until Friday 16 December 2022. The plan overleaf shows where this 24-hour work will be carried out.

Severn Trent has a responsibility for delivering water and sewerage services to homes and businesses across the region and to ensure the impact of any work is kept to a minimum.

How will this impact you

The work will generate a small amount of noise and dust, but we will do our best to keep this to an absolute minimum.

There will be no impact on your water or sewerage services.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434
or email HS2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
