

Updated notice of utility works

September 2022 www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

What are we doing

We have previously communicated to you about work on a strategic sewer in the Gilson area. Severn Trent require the sewer to be moved because it is in the way of the HS2 railway line.

The sewer diversion will start in the fields just to the South of Coleshill Manor, then head north-east crossing under the M42 motorway, and then head north along the eastern side of Gilson, ending just to the north of the village.

So far, 1.5km of strategic sewer has been constructed which includes 4 tunnels under the M42 motorway. This work that was due to finish on 29 March will now continue until 28 July 2023.

Throughout spring and summer 2023, we will be completing construction of the remaining 250m of sewer and constructing manholes which will be used to access and maintain the sewer.

Finally, we will be bringing the new sewer into service and abandoning the old one to allow construction of the HS2 railway line.

Severn Trent has a responsibility for delivering water and sewerage services to homes and businesses across the region and to ensure the impact of any work is kept to a minimum.

How will this impact you

The work will generate a small amount of noise and dust, but we will do our best to keep this to an absolute minimum.

Severn Trent has a responsibility for delivering water and sewerage services to homes and businesses across the region and to ensure the impact of any work is kept to a minimum.

There will be no impact on your water or sewerage services.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434
or email HS2enquiries@hs2.org.uk

Duration

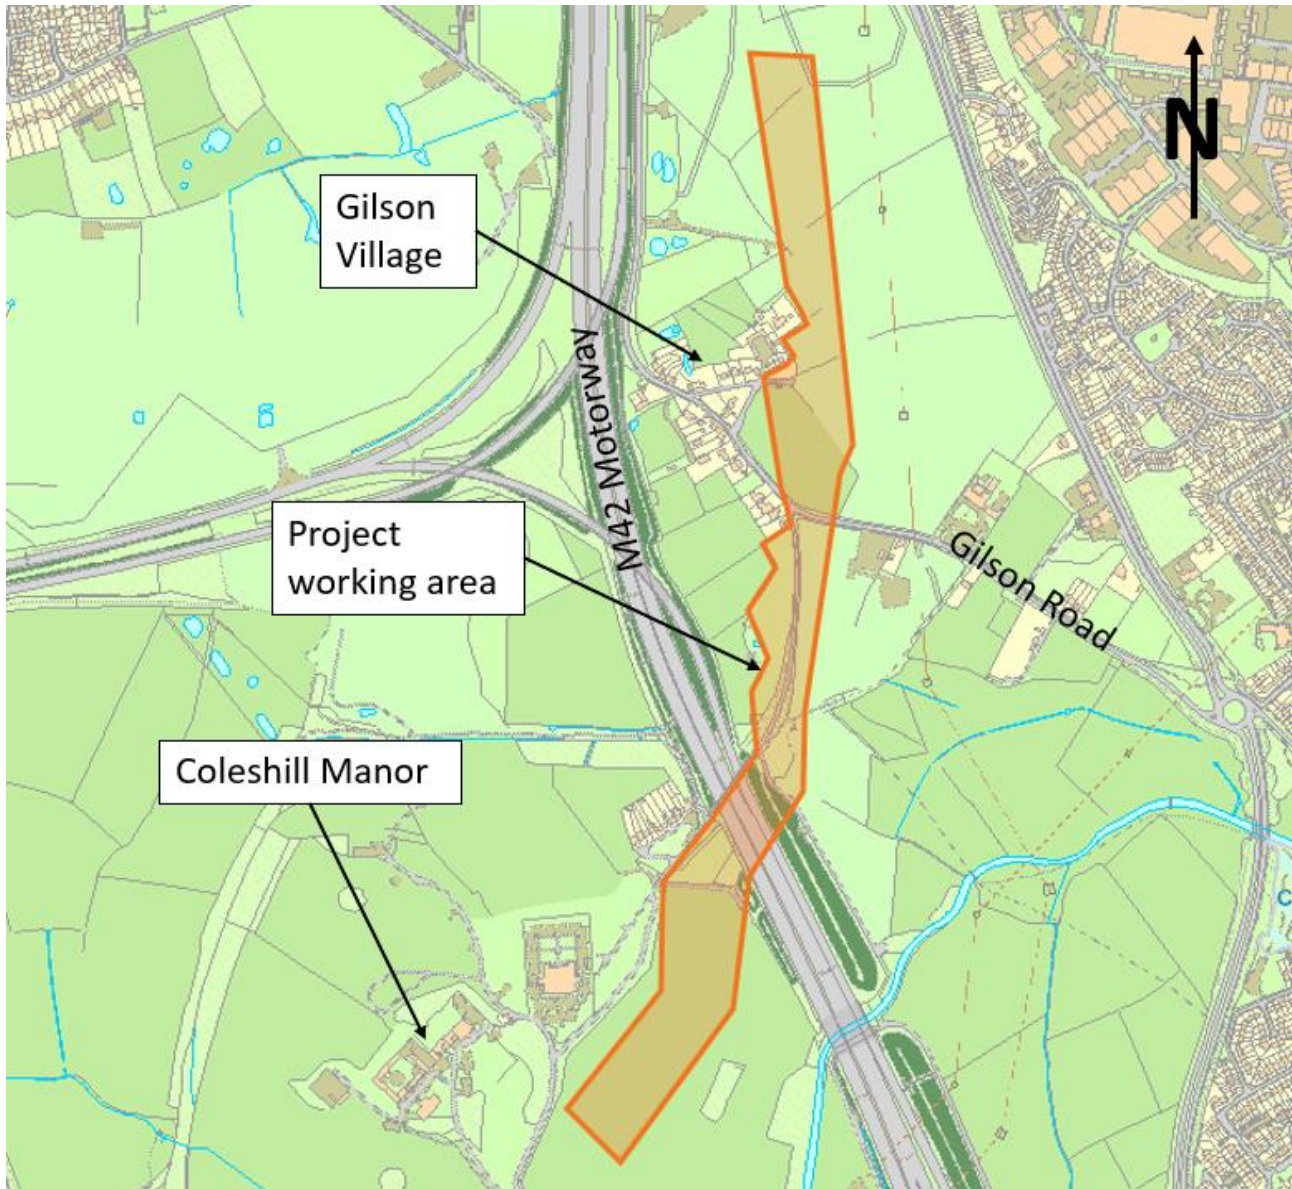

- Remaining works shall be completed 28 July 2023.
- Our core working hours will be 8.00am to 6.00pm Monday to Sunday.
- We will be on-site one hour either side of these times for set-up and close-down.

What we will do

- If you are directly impacted by the work, Severn Trent will speak with you before it begins to ensure access is not impacted.
- At no time will your water or sewer services be interrupted. We will complete the work as quickly as possible to avoid disruption and provide you access throughout.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
