

## Updated notice of traffic management on A38 at Streethay

September 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

### The work we will doing

We previously informed you that we will be narrowing the lane on the A38 northbound slip road, to enable us to divert power and communication utilities. Our start date for this work has changed and works will now begin in October.

To ensure the safety of the travelling public and our workforce, we will undertake localised vegetation clearance to maintain signage visibility and maintain the existing northbound footpath. We will also clean the southbound carriageway and complete drainage maintenance. Our work is continuing alongside the southbound slip road and we will also be working adjacent to the northbound slip road and carriageway within our own land areas. These works include piling and dismantling of buildings.

### When the work will take place

The narrowing of the northbound slip road will commence from Monday 3 October 2022 until April 2023 and will be in place for 24 hours a day, seven days a week. To install the narrower lane on the slip road, **we will close the northbound carriageway for two nights on Sunday 2 & Monday 3 October between 9pm to 5.30am.**

To undertake carriageway maintenance on the **southbound carriageway we will install overnight closures on Tuesday 4 October, Monday 24 October and Thursday 24 November between 9pm to 5.30am.**

Our working hours during the overnight closures will commence at 9pm each evening and we will reopen, before rush hour, at 5:30am each morning. Whilst we have closures in place, clear diversions and signage will be displayed along the route for road users. Installation of narrow lanes on the main carriageway of the A38 at Streethay remain, along with a speed limit of 40 mph, to ensure the safety of the public and our workforce.

### Duration of works

Two nights of northbound carriageway closures from Sunday 2 October

Three nights southbound carriageway closures over October and November

Our working hours during the overnight closures will be between 9pm and 5:30am.

Our daytime working hours are 8am until 6pm, Monday to Friday and 8am until 1pm on Saturdays. During weekdays, we may be required to work until 10pm on occasion.
