

Notice of overnight works on the West Coast Mainline, Streethay

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high speed railway in your area.

West Coast Mainline overnight weekend works

We are working with Network Rail to plan and deliver preparatory works on the West Coast Mainline at Streethay. As this is one of the UK's busiest rail routes the works will be undertaken during overnight closures between October 2022 to February 2023. We will:

- complete piling works
- transport materials by rail
- complete track re-alignment and survey work

We will use a range of tools, survey equipment, rail vehicles and large machinery during this period.

When the work will take place

We will complete these works overnight between:

- 12:15am Sunday 2 October until 6:15am Sunday 2 October
- 12:15am Sunday 9 October until 9am Sunday 9 October
- **10:40pm Saturday 15 October until 5:25am Monday 17 October**
- **12am Saturday 22 October until 8am Monday 24 October**
- **11pm Saturday 5 November until 5am Monday 7 November**
- **11pm Saturday 12 November until 5am Monday 14 November**
- 11pm Saturday 19 November until 5am Monday 21 November
- 10pm Saturday 26 November until 5:25am Monday 28 November
- 10:40pm Saturday 3 December until 9am Sunday 4 December
- 10:40pm Saturday 7 January until 9am Sunday 8 January
- 10:40pm Saturday 28 January until 9am Sunday 29 January
- 10:40pm Saturday 25 February until 9am Sunday 26 February

Our workforce may be on-site up to one hour before and after to set up and secure our equipment.

You may experience an increase in noise levels as we complete works between 15 October to 14 November 2022.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

These works will take place between October 2022 and February 2023.

What to expect

Overnight working as we complete these works.

Additional lighting at this location during the overnight works

An increase in noise levels from our works at this location.

What we will do

Keep all sites safe and secure.

Visit residents in the local area to discuss these works.

Keep you informed of any changes via:

<https://www.hs2.org.uk/staffordshire>

Progress update on works at Cappers Lane, Streethay

Notification

www.hs2.org.uk

The work we are doing

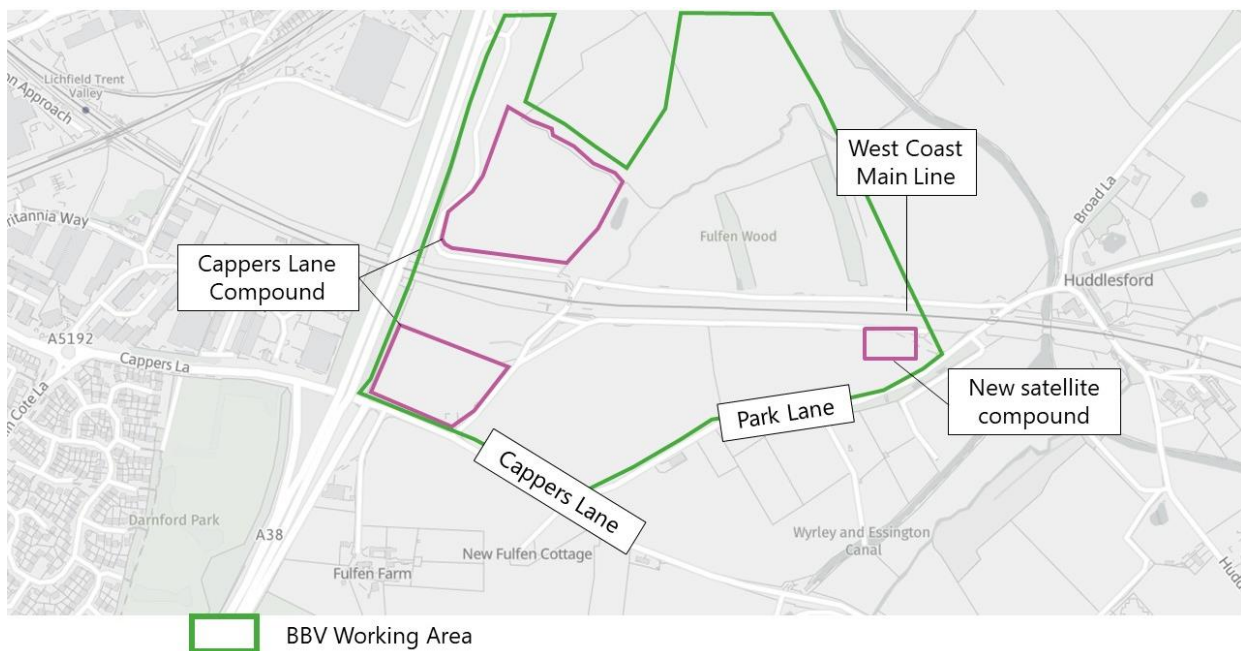

We are progressing works within our site boundary around our Cappers Lane compound. These works include vegetation management, construction of haul roads, earthworks, ground water management and constructing foundations for structures.

Other contractors working in the area

Over this period there will be other contractors working in the area on behalf of HS2 and Network Rail. These contractors will be setting up a compound area (marked on the map below) and relocating the existing overhead gantries on the West Coast Mainline. A gantry is a bridge-like overhead structure spanning the railway track, which provides the electrical connections for the trains. This process will require lighting on site and may cause some noise disruption.

Location of our working area

The map below outlines the location of the working area.

Work explanation

Ballast are stones that sit on the track.

Track re-alignment is altering the height of the track.

Pilling is installing large steel vertical tubes into the railway embankment using a road rail vehicle with a vibration and hammer attachment.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
