

Notice of road closure, Keepers Lane, Little Missenden

October 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

This notice is to inform you of a temporary road closure and diversion on Keepers Lane, Little Missenden, to carry out some instrumentation and monitoring (I&M) surveys.

What will we be doing?

A small team will enter the site boundary via the farm gate on Keepers Lane and lay approx. 170 meters of track matting. A branch and tree stump will be removed for access. Heras fencing will be erected around the small surveying area at the end of the track where a drilling rig will be used to assist with the surveys. Once the rig is mobilised, the surveying area will be accessed intermittently, and the road re-opened in full.

Why are we doing these works?

Prior to any infrastructure works, various surveys are carried out across a broad area. The readings provide accuracy of elevation from one site location to another that is then cross referenced against the design. Surveys were conducted here during the summer of 2021 and January of 2022 and are being repeated to ensure accuracy. Standard practice used by engineers and surveyors.

Will there be any noise impact?

You may hear the track matting being laid, the rig being delivered, mobilised, and as it operates.

Please see the diversion route on page 2.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

How will these works affect you?

From the A413 to the railway bridge, Keepers Lane will be closed to traffic, including cyclists, in both directions. A fully signed diversion will be in place via the nearest B-road which is Chesham Road leading onto Hyde Heath Road and Weedon Hill. The closure details are:

- 29 September 2022 to 4 November 2022
- From 10am to 3pm

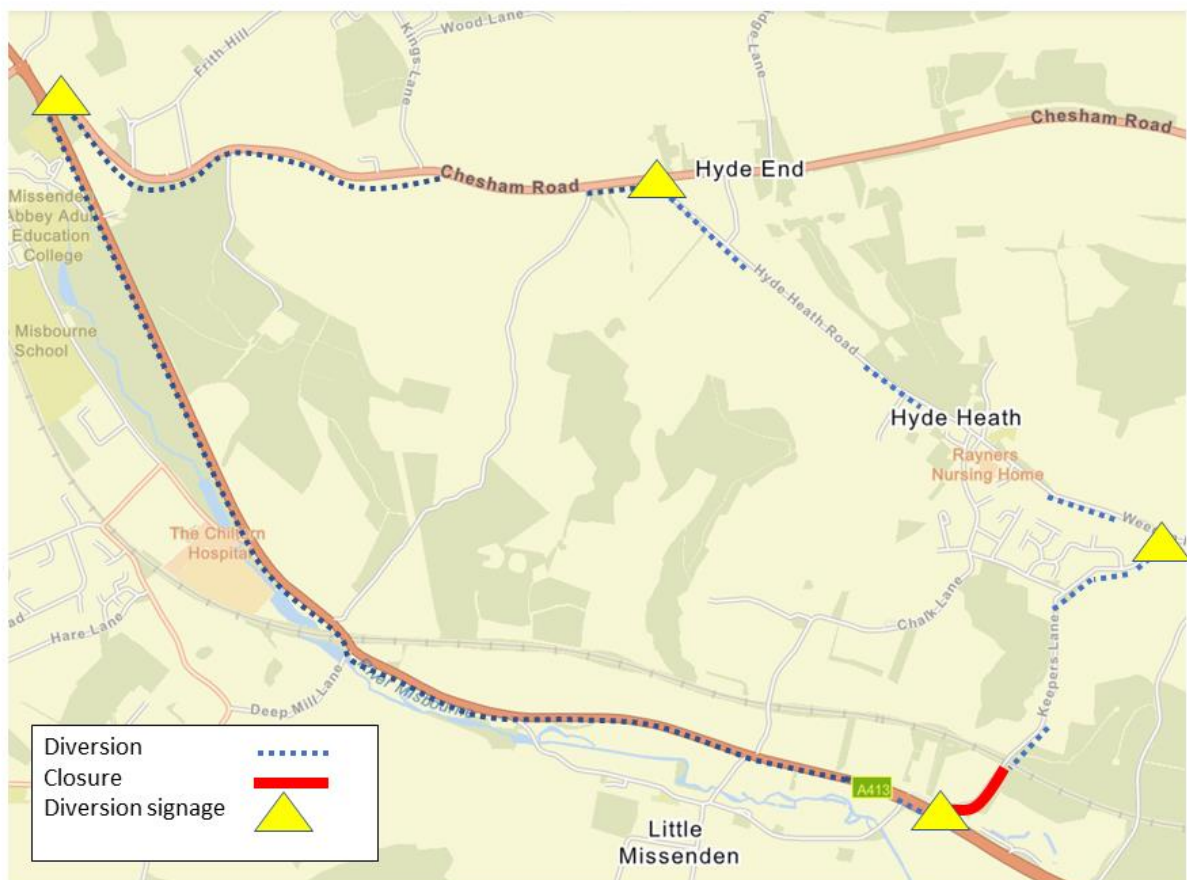

We aim to meet our planned working dates, but these can change due to the impact of the weather or programme changes. We will do all we can to keep you updated.

Avoiding peak times

The road closure and diversion will not come into effect until 10am and will end at 3pm after which, the road will be reopened, and the diversion removed.
