

Notice of road closure on Mill Lane, Chalfont St Giles

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

What are we doing?

Both of our Tunnel Boring Machines (TBMs) have now successfully passed under the village centre of Chalfont St Giles, Buckinghamshire and are approaching our vent shaft compound in Bottom House Farm Lane. We undertake regular ground surveys before, during, and after tunnelling to record and monitor ground settlement.

In March, April, June and July this year, you may have seen survey monitoring teams in the area, as we have previously closed Mill Lane on to undertake our survey works.

As both TBMs have now passed under the village centre, we need to return to the area and carry out some further monitoring for ground settlement in the area around Mill Lane. Regrettably, this means that we need to close Mill Lane for through traffic on two further occasions.

How will this affect me?

Mill Lane will be fully closed to traffic from the junction with Dodds Lane and Hill Farm Lane to the junction with Amersham Road on:

- 1 September from 9.30am to 3pm
- 29 September from 9.30am to 3pm

As there is no pavement on Mill Lane it needs to be shut whilst staff undertake the surveys, for their safety. We will do all we can to ensure the works are carried out swiftly and efficiently and the road is reopened as soon as possible to keep disruption to a minimum.

A map can be found on page two.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434

Duration of works

Two single day closures on:

- 1 September
- 29 September

All survey works will be undertaken during off peak hours from 9.30am to 3pm on both days.

What to expect

Mill Lane will be closed for through traffic during survey works from the junction with Amersham Road to the junction with Dodds Lane and Hill Farm Lane.

Residents on Mill Lane and Stratton Chase Drive (West) will still be able to access homes.

What we will do

Road closure signage and a small team of operatives undertaking survey work. We will do all we can to reduce disruption.

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
