September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Mace Dragados is the Construction Partner building the new HS2 station in Euston.

Vegetation clearance on Cobourg Street in September 2022

We wrote to you in March 2022 (HS2-MW-MD-Ph1-Eu-St-S3-Site-11-28/01/2022) to let you know that we will be undertaking an essential programme of utilities works to the west of Euston Station. As part of this, we need to carry out vegetation clearance on Cobourg Street **for a day in September**. This is to allow for the construction of a new utility corridor to divert utilities away from the new HS2 station ticket hall.

For details on traffic management, please see plan on the next page. The southern section of Cobourg Street (between the junctions of Drummond Street and Euston Street) will be temporarily closed for vehicular access for the duration of the works to ensure safety. There will still be pedestrian access however, there will be alterations to public walkways. Signage will be in place to redirect the public to avoid the works and to use alternative routes.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
