## Notice of UKPN Construction Works

September? 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

### What are we doing?

In order to prepare for the future railway, UK Power Networks (UKPN) need to carry out an intrusive survey (a trial hole) within the National Grid site, off Acton Lane.

UKPN will be carrying out these surveys in order to enable completion of design. All relevant consents/site access from associated stakeholders/landowners will be obtained before the works start.

UKPN will be working on Monday 10 and Tuesday 11 of October.

### How will this impact you?

UKPN will be working in the area highlighted yellow on the map on page 2.

As the works are hand digging, noise and vibration levels will be low. We will maintain access throughout the duration of our works.

UKPN has a responsibility for delivering electricity services to homes and businesses across the region, and will ensure that the impact of any work is kept to a minimum.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
