

Notice of lane closure and operation of Nash Lee Road crossing point

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at www.HS2inyourarea.co.uk

What are we doing?

As part of our continued preparatory works for the construction of the Nash Lee Road realignment there will be temporary traffic management, in the form of daytime lane closures, on Nash Lee Road for approximately four weeks.

These lane closures will allow us to safely establish a temporary plant and vehicle crossing point further connecting our internal road network. This plant crossing will be in use until the new Nash Lee Road realignment is operational. We expect the plant crossing to be in use by late October.

To help reduce our impact on the local area, this new realignment will include a bridge for local traffic to pass over HS2 works while construction vehicles will travel under the bridge.

Throughout the course of this closure, our team will also be carrying out works to transition the drainage systems between the current system and new temporary diversion.

When will these works take place?

Nash Lee Road will have temporary traffic management, between 9.00am and 3.00pm, beginning Monday 26 September to Friday 21 October 2022.

Works will take place between 9am and 3pm – Monday to Friday. Some additional weekend work may also take place.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Works will commence Monday 26 September to Friday 21 October 2022.

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

What to expect

Temporary traffic management on Nash Lee Road in the form of daytime lane closures until late October 2022.

A plant crossing on Nash Lee Road will become operational with traffic lights in late October.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

Notification

Where will the works take place?

The map below, shows the temporary traffic management that will be in place on Nash Lee Road.

There may be a short duration outside of the advertised times to allow for our traffic management crews to set-up or take-down road signage and traffic equipment. Lane closures will not be operational during these times, however you may see our crews setting up within the highway.

Notification

What will the access and haul road crossing point look like?

The crossing point on Nash Lee Road will ensure local traffic are safely separated from construction traffic. By introducing this crossing, it enables us to keep plant and vehicles within the construction site and off the road network.

The crossing point will be signal controlled and to reduce disruption as much as possible, traffic lights will only be operational during our normal working hours, 8.00am to 6.00pm. They will be in use until the Nash Lee Road diversion can be completed.

The image below is indicative of what our access and haul road crossing points will look like.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us

Contact our HS2 Helpdesk team all day, every day of the year on:
