

Notice of road closure, Wills Pastures Road, Southam

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. If you have any questions about this, please contact our Helpdesk to find out more. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2inwarwickshire.co.uk.

What are we doing?

As part of our continued works, we will now be closing Wills Pastures Road. Our team have looked at several ways to maintain access, however, due to the significant earthworks in this location, for safety reasons it has not been possible. Farm and residential access on Wills Pastures Road near to the A423 Banbury Road will not be affected.

Over the two year closure, this section of road will be redesigned into a bridleway and once reopened, will provide connectivity to the Public Rights of Way known as SM95 and SM116. The new Wills Pastures Bridleway will pass under the HS2 railway line at Lower Radbourne South Viaduct.

When will these works take place?

Wills Pastures Road will be closed from Monday 26 September 2022 until the permanent redesign of the road into a bridleway is completed in 2024. The closure will be signposted.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
