

## Notice of surveys on A413 Amersham Road, Chalfont St Giles, Buckinghamshire

September 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic.

### What are we doing?

We will be conducting ground surveys on A413 Amersham Road, Chalfont St Giles, in Buckinghamshire between the junctions with Cokes Lane and Bottom House Farm Lane for one day. These surveys are in relation to the construction of the Chiltern Tunnel and will be carried out by a small mobile team of engineers working in and around the roadside. You will see operatives wearing full protective clothing walking along Amersham Road with monitoring equipment.

### Why are we doing these works?

Instrumentation and monitoring (I&M) surveys are routine checks carried out before, during, and after infrastructure works to monitor potential impacts and to verify that construction has proceeded according to design and plan.

### How will this affect me?

The team need to survey close to the roadside, they need to be protected from vehicles by using traffic management. This will be conducted with mobile stop and go boards operated by traffic marshals who will move along these roads in sections.

A map can be found on page 2.

### Avoiding peak times

Stop and go boards will be in use from 9am to 3pm to minimise disruption. The team may be visible before this time to prepare the surveys.

### Duration of works

20 September 2022 for one day from 9am to 3pm

### What to expect

Stop and go boards will be in place on 20 September from 9am to 3pm at locations on A413 Amersham Road between Bottom House Farm Lane and Cokes Lane to manage local traffic

The presence of surveyors working in or near the roadside whilst they carry out work

### What we will do

Keep the traffic flowing and fully reopen the road as soon as possible.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities can apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
