

Notice of temporary traffic management, A43 update

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are following Government and Public Health England (PHE) advice on working safely during the pandemic. The health and safety of our workforce and the communities we work within is our priority. You can sign up for regular updates in your local area at www.hs2innorthants.co.uk.

What are we doing?

In December 2022, we will be receiving the delivery of large plant and equipment to our site along the A43 southbound. This equipment is required for our earthworks activities while we build the Helmdon Embankment.

In order for these deliveries to safely turn into our site, there will be temporary traffic management, in the form of a single lane closure, overnight on the A43 southbound for approximately 1 week.

There will also be temporary traffic management in the form of periodic overnight lane closures on the A43 southbound.

These lane closures will be in place to facilitate utility diversion works at our site located at the old Whitfield Racecourse and will allow for the safe exit of construction vehicles from the site. This traffic management will continue into Spring 2023.

When will these works take place?

The A43 southbound will have a lane closure between 8pm and 6am from Thursday 15 December to Tuesday 20 December 2022.

Periodic overnight lane closures will also take place on this section of the A43 southbound from November 2022 and continue into Spring 2023.

Duration of works

The A43 southbound will have traffic management from Thursday 15 December 2022 for 5 nights. There will also be periodic lane closures from November 2022 to facilitate utility diversion works.

What to expect

Overnight traffic management on the A43 southbound for the delivery of plant and machinery to our site in December.

Periodic overnight lane closures on the A43 southbound from November until Spring 2023.

What we will do

Provide updates for communities and maintain regular contact with emergency services.

Notification

Where will the works take place?

The map below, shows the section of the A43 southbound that will have traffic management in the form of a lane closure for 1 week in December 2022.

Periodic overnight lane closures will also take place on this section of the A43 southbound beginning in November 2022 and continue into Spring 2023.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain

Contact Us

Contact our HS2 Helpdesk team all day, every day of the year on:
