

Notice of work traffic management, A413 Wendover

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As we reintroduce face to face engagement, which is in addition to the ongoing virtual engagement, we will continue to follow government guidance on reducing the spread of Covid-19. The health and safety of our workforce and the communities we work within is our priority. Please contact the Helpdesk if you have any further questions relating to our response to the Covid-19 pandemic. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk.

What are we doing?

In order to build the Small Dean Viaduct, we will be temporarily realigning a section of the A413. To facilitate this realignment, we will be carrying out works adjacent to the Chiltern Railway line and the A413 London Road. For reasons of safety, these works will be carried out overnight while the rail line is not in service.

In addition, we will also now be undertaking CCTV drainage survey works during the overnight closures. These works involve sending cameras into the drainage system to help us understand the condition and levels of silt prior to future works taking place.

The temporary re-alignment of the A413 is expected to be operational in early 2023 and the Small Dean Viaduct is expected to be completed in late 2024.

In October and November, we will be carrying out additional works along the A413 including the diversion of utilities which will again involve road closures. We will update communities in due course.

When will these works take place?

A section of the A413 London Road will be fully closed overnight from 8pm Thursday to 6am Sunday, beginning on Thursday 1 September 2022 for approximately 7 weekends. A signed diversion will be in operation.

These dates may be subject to change due to circumstances outside of our control, such as weather.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
