

Notice of works on M42 Junction 7 Link Road

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

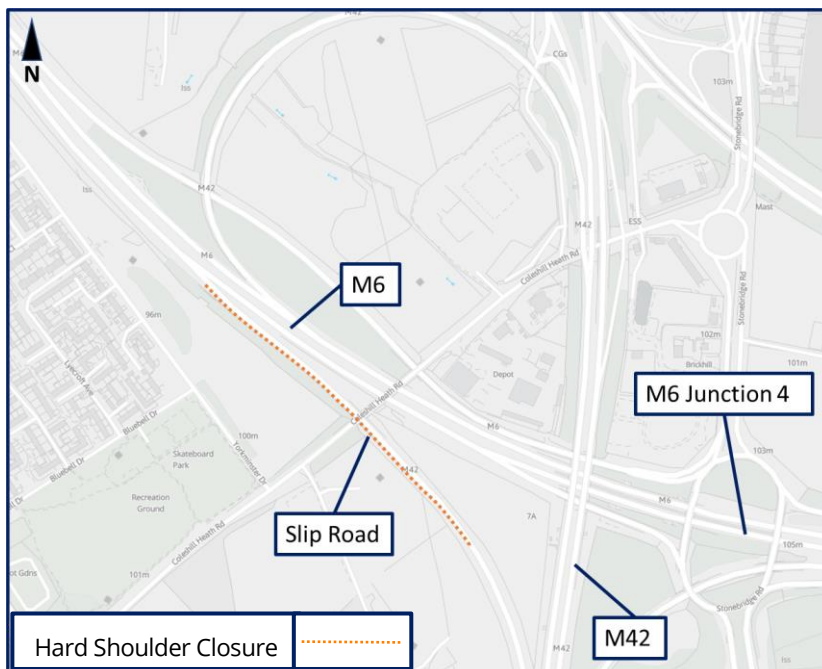

The Work we will be doing.

The new railway will cross the M6 on an over bridge near Junction 4. In order to safely build the southern abutment to this bridge we will need to close the hard shoulder on the slip road that connects the Northbound carriageway of the M42 to the Northbound carriageway of the M6

When will these works take place.

The work will take place from Monday 3 October until Thursday 22 December. The hard shoulder will be closed 24/7 and our working hours will be 08:00-18:00 Monday-Friday. Should the works be completed sooner, we will re-open the hard shoulder as soon as it is safe to do so.
