Mornington Street bridge update

November 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Network Rail and HS2 have agreed to reopen Mornington Street bridge to vehicles until tunnelling work begins (now planned to be in 2026).

The bridge will be opened with a 3-tonne weight limit in place. We will manage the weight limit by placing width restriction barriers at both ends of the bridge. We will replace the bridge signs in the area to notify road users of the new 3-tonne weight limit. For safety reasons, Network Rail and SCS will continue to monitor the bridge whilst work continues beneath it.

On Sunday 26 November, from 7pm to 12am, we will install width restriction barriers and traffic management in preparation for reopening the bridge. We will return on Monday 27 November to fill the barriers with water. Once we receive all the necessary consents, we will then open the bridge without further delay. Once the bridge is opened, Park Village East will revert to the previous two-way system south of the bridge.

Please note we will close the bridge to vehicle traffic for about five years during tunnelling works. This closure is currently planned to start in 2026. We will maintain access for pedestrians and cyclists throughout this period. We will inform you about this closer to the time.

We understand the practical problems the closure of the bridge has caused for local residents and vehicles and are sincerely sorry for the length of time it has taken to reopen the bridge.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
