

Notification

Notice of works to the South of Euston Station

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Below is a summary of areas of works covered in this notice. Please continue to read the rest of this notification for further information

Update on Gordon Street, Gower Place and Endsleigh Garden sewer surveys

We wrote to you in March 2022 (HS2-MW-MD-Ph1-Eu-St-S3-Site-11-28/01/2022) to let you know that a number of enabling works will be carried out in the local area as part of the HS2 Euston Station works. This notification provides a further update on sewer surveys taking place in **August 2022 until Mid -September 2022**.

Vodafone works on Torrington Place, Byng Place and Malet Street

From Mid- September until late October 2022, BRM Utility Services Ltd are working on behalf of Vodafone to undertake fibre optic installation and diversion works at Gower Place, Torrington Place and Malet Street.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Working hours:

- 8am to 6pm weekdays (excluding bank holidays)
- Weekends 8am to 6pm
- Gordon Street, Gower Place and Endsleigh Gardens surveys and BT works will take place at night (9pm to 5am)
- We will start-up and close-down activities up to one hour before and up to one hour after normal working hours above

What to expect:

- Alterations to public walkways;
- Partial road closures;

What we will do:

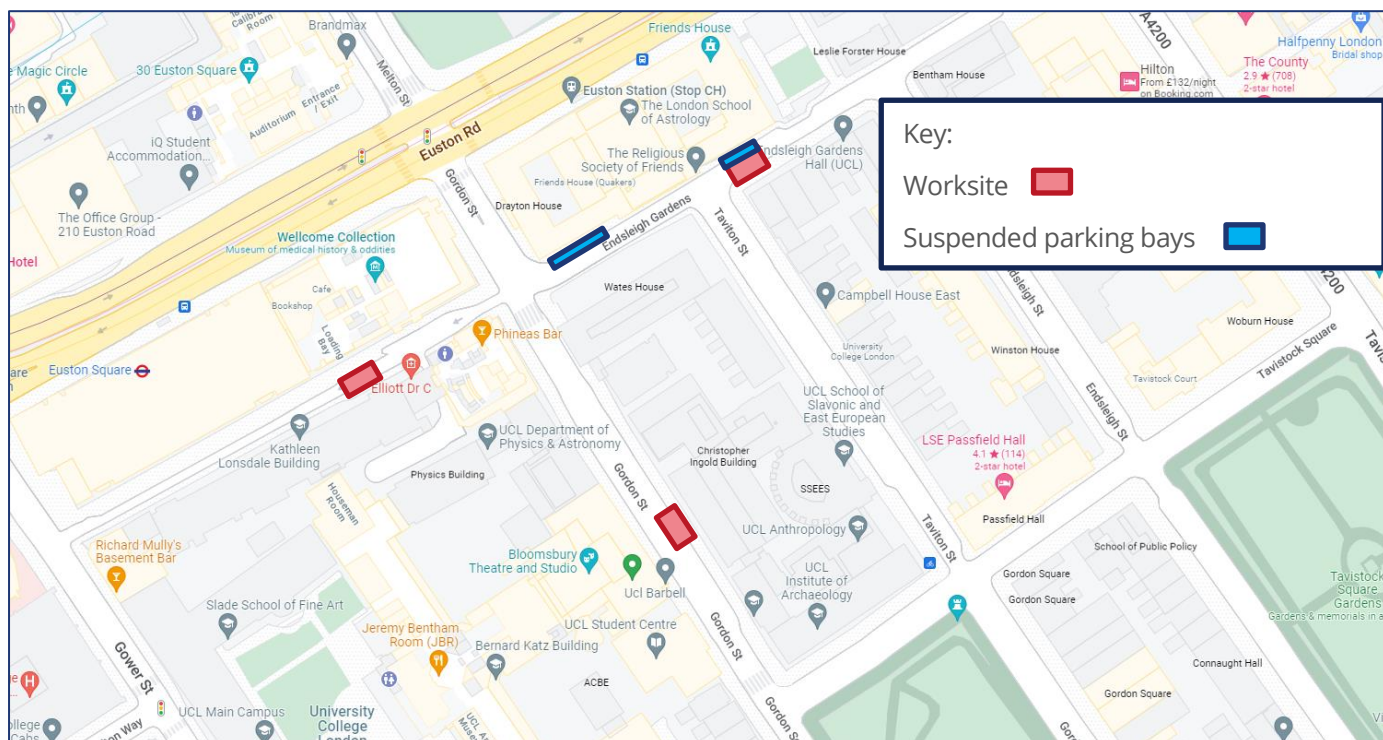

- Create temporary work sites and signage where surveys and investigations are taking place;
- Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again

Gordon Street, Gower Place and Endsleigh Gardens sewer surveys until mid-September 2022

We are currently undertaking condition and connectivity investigations to the sewer on Gordon Street, Gower Place and Endsleigh Gardens. To facilitate these works we insert a camera into manholes and take photographs of the sewer. The surveys will help us determine the locations of the sewers and how to connect them at a later stage.

We will carry out the survey at night when there are fewer pedestrians. To enable the works, we will temporarily close sections of Gordon Street and Gower Place and install temporary traffic lights to help keep the flow of traffic. Access will be maintained and work sites will be cleared and reinstated daily. This work is not expected to be noisy.

What to expect

We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits. These works will not affect utility connections in the areas. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

Works will include:

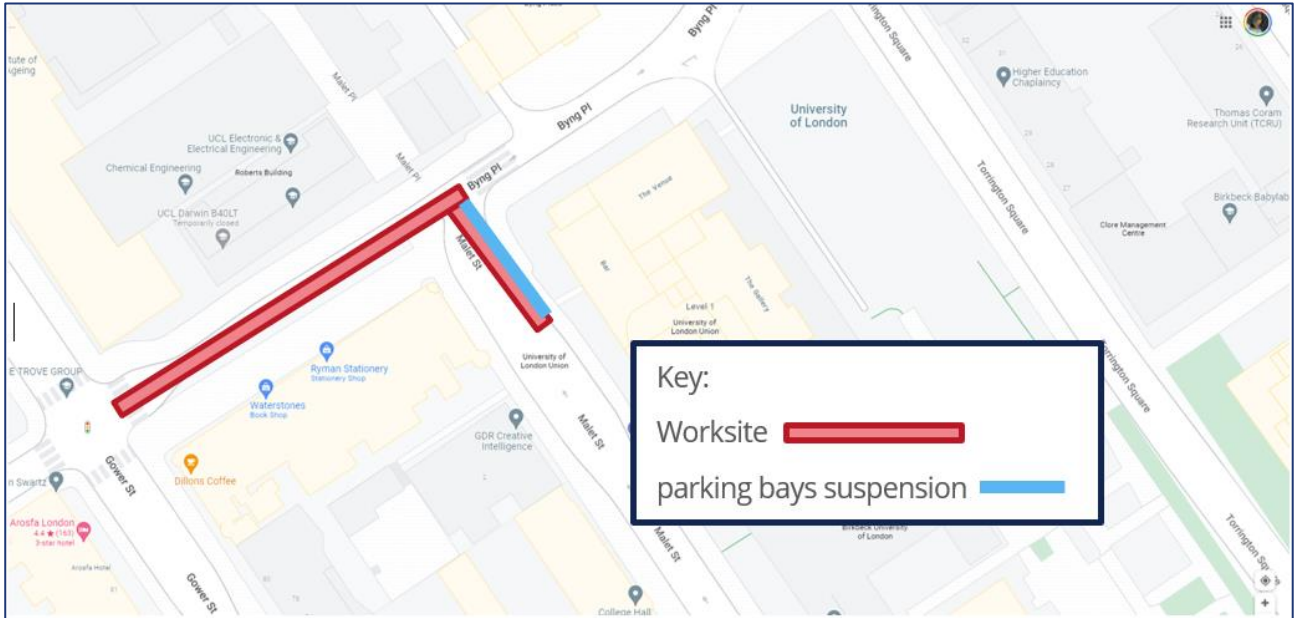

- Temporary alterations to public walkways
- Two sections of Endsleigh Street where bays will be suspended. One section of 4 bays and another of 2 bays
- Closure of a section of the road on Gordon Street and Gower Place during works, work sites will be cleared and reinstated daily
- We will work to minimise disruption wherever possible

Working hours

- Between 9pm to 5am weekdays excluding bank holiday and
- We will start-up and close-down activities up to one hour before and up to one hour after normal working hours above

Vodafone works on Torrington Place, Byng Place and Malet Street from Mid- September until late October 2022

To enable the fibre optic installation and diversion works we will temporarily close Torrington Place, Byng Place and Malet Street as shown below for approximately 3 weeks. Parking bays in the area adjacent to the works will be suspended. Pedestrian access will be maintained using a temporary crossing throughout. Traffic diversions will be in place; northbound via Montague Place, Grafton Way and Euston Road, and southbound via Keppel Street.

What to expect

We will closely monitor all noise, vibration, and dust levels to ensure we do not exceed our agreed limits. These works will not affect utility connections in the areas. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

Works will include:

- Temporary work sites
- Full road closure
- Suspension of several bays on Malet Street and
- delivery and removal of materials to and from site

Working hours

- 8am to 6pm weekdays (excluding bank holidays)
- 8am to 6pm Saturdays
- We will start-up and close-down activities up to one hour before and up to one hour after normal working hours above

Gordon Street BT Openreach works - at the junction of Endsleigh Gardens and Gower Place – September 2022

In addition to the above works, during September BT Openreach will also be working in the area. They will be installing new cables and jointing these cables to the existing network. These works will take place at night and will not involve noisy working. There will be no excavation. All works will take place via existing BT chambers and manholes. Lane closures will be in place at these locations with traffic still able to access these roads. There will be no disruption to existing supplies during these works.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
