## Update notice for Station Approach night-time bridge inspection

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at [hs2inhillington.co.uk](https://hs2inhillington.co.uk).

### What we are doing

We wrote to you earlier this year to let you know that we would be carrying out bridge inspections in March and April.

From **3 to 7 October 2022**, we will be undertaking further overnight inspections, under the railway bridge on Station Approach, between 10pm and 5am. We will erect a tower scaffold within the work areas shown on the map overleaf so that we can carry out a visual inspection of the bridge. We will remove and reinstate defective brickwork where required.

### How these surveys might affect you

Temporary traffic management and pedestrian crossings will be in place to ensure that we carry out the surveys safely.

We would like to apologise in advance for the disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

Your utility services will not be affected.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**
