

# Update notice on overnight weekend works at Mandeville Road site

September 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

You can sign up for regular updates in your local area at [www.hs2inbrentandealing.co.uk](http://www.hs2inbrentandealing.co.uk)

## Overnight weekend working

We wrote to you in April to let you know about our plans to install a new track drainage and cable troughing next to the railway line. These works were delayed and will now take place from **Saturday 1 October to Sunday 11 December 2022**.

We will be working outside of the site hoarding line from Saturday night until Sunday afternoon.

These works will take place overnight from Saturday 6pm to Sunday 5pm in planned closures of the Network Rail line, over an eleven week period. The Central Line is not affected by these works and will remain in operation.

In order to install the drainage and troughing, we will be using an excavator that sits on the rail track and excavates parallel to the existing rail line. Materials and new drainage will also be lifted into position using the excavator.

We will be using mains lighting where possible to illuminate the localised area of the work. However, we may need to use a small mobile generator to provide lighting at particular times.

The work is down at railway level, so noise and lighting should cause minimal effect on residential properties. We will, however continue to review our lighting use, to ensure it is facing away from neighbouring properties.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Notification

### Duration of works

1 October to 11 December 2022

Saturdays 6pm – Sunday 5pm

### What to expect

We will have an excavator and operatives on the railway line beside the hoarding. You may hear noise from digging. We will have localised lighting.

### What we will do

Keep overnight lighting to the localised area to minimise the effect on local residents. Using the smallest diesel generator if required to keep noise to a minimum

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:  
[complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
