Update on overnight grouting work at South Ruislip ventilation shaft site

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

If you have any questions about this, please contact our Helpdesk to find out more hs2inhillillingdon.co.uk.

What we are doing

We wrote to you in June to let you know that we would be doing overnight grouting to prepare the ground ahead of the start of tunnelling.

The site will be undertaking this work over two weekends in the next few weeks.

We will continue to work Monday to Friday 24 hours a day during the week. However, these works will take place on **Saturday 24 and Sunday 25 September** and **Saturday 8 and Sunday 9 October 2022**, 24 hours a day.

We will use three drilling rigs, a dumper for moving muck away from the bore hole and an excavator.

How the work might affect you

The team will use electric powered lighting and machinery to reduce noise impacts on the local community.

Noise reduction fencing will be used at night, to reduce noise levels.

We would like to apologise in advance for any disruption or inconvenience this may cause. Every effort is being taken to ensure that these works are carried out in the least impactful way. We will ensure that disruption is kept to a minimum.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
