

Updated notice of utility diversions - Duddeston Mill Road

September 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Utility diversions

Ahead of constructing the new HS2 structures on Duddeston Mill Road we will need to divert a BT line which currently passes through our work area. We had previously planned to carry out this diversion work from Monday 25 July to Friday 9 September. However due to emergency works taking place on Saltley Viaduct we have had to delay some of our work on Duddeston Mill Road. We now expect to recommence this work on Tuesday 20 September and will continue until Friday 21 October.

To carry out this work we will need to excavate a section of Duddeston Mill Road and relocate the utility before then resurfacing the excavated section.

Temporary traffic lights and footway closure

To be able to do this work safely we will need to put in place two-way temporary traffic lights along a section of Duddeston Mill Road. The temporary lights will be manually operated during peak travel times to help to reduce congestion.

We will also need to close a section of the southern pedestrian footway; the northern footway will however remain open. Access to properties and businesses will be maintained throughout.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
