A452 Kenilworth Road - roundabout construction

October 2022 | www.hs2.org.uk

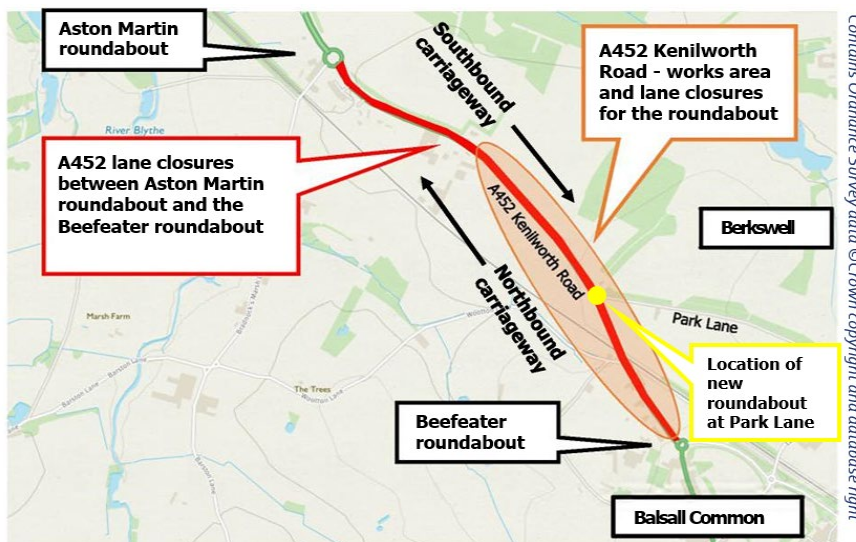

High Speed Two (HS2) is the new high-speed railway for Britain. Initial works have now started and are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Lane closures for planting on the A452 Kenilworth Road

Planting is required to fully complete the new roundabout scheme at Park Lane along the A452, Berkswell this autumn. To carry out these works safely, LM will need to install temporary lane closures along the A452 from 2nd November 2022 to end of January 2023 between 9:30am and 3:30pm on north and south bound carriageways. (see map below).

Please note that the location of the temporary lane closures will change depending on where works are required. Please check signage on the road as dates may change. All work is subject to consent, site and weather conditions.

Local diversions will be clearly signposted. Access for residents and businesses will be maintained. **For live up-to-date traffic information and diversion routes please go to one.network.** Any changes will be published on the hs2insolihull website .
