

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

We will be carrying out drainage surveys, to support the design process.

We will need to install two-way temporary traffic lights, to ensure a safe working area while we carry out the surveys. These will be removed once the works are complete.

25 October to 28 October 2022 temporary traffic lights will be in operation for the duration of the works. **Our working hours will be 9.30am to 3.30pm** to minimise disruption to journey times
