October 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

We will be undertaking works to install a signalised junction / crossing, on the north and south side of Watling Street, to allow our vehicles to safely access our working area.

When the work will take place

We will complete these works from Monday 7 November to Friday 25 November. To carry out our works safely, we will install temporary traffic lights on Watling Street for three weeks. The traffic lights will be in place 24 hours a day until our work is complete.

Our working hours will be between 8am and 6pm. Our workforce may be on-site up to one hour before and after to set up and secure our equipment.

Where we will be working

See map below showing the location of the temporary traffic lights.
