

Notice of traffic management on A4091 / Bodymoor Heath Lane

November 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We will be diverting utilities, located alongside and across A4091, that will require us to work on the carriageway. Once we have diverted the utilities, we will cover them with a protective slab to ensure they are safely secured. To allow us to complete these works safely we will require a temporary lane closure on a section of A4091 with temporary traffic lights (see map on page2). We will also have a full closure of Brick Kiln Lane to undertake survey works ahead of the utility diversion.

When these works will take place

These works will take place from 7 November to 23 December 2022. During this period, we will have a single lane closure with temporary traffic lights in place on the A4091. The temporary traffic lights will be in place for 24 hours per day until completion of the works.

From 7 November to 8 November 2022, we will have a road closure on Brick Kiln Lane between 8.00am until 6.00pm each day. During this period access will be maintained for residents.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These works will take place from 7 November 2022 until 23 December 2022.

Our working hours will be 8.00am to 6.00pm

Our workforce may be on site one hour before and after to set up and take down our work equipment.

What to expect

Traffic management on local roads while we complete these works.

We will install signage on the roadside.

What we will do

Inform you in advance of any changes to the date(s) shown.

Keep all sites safe and secure.

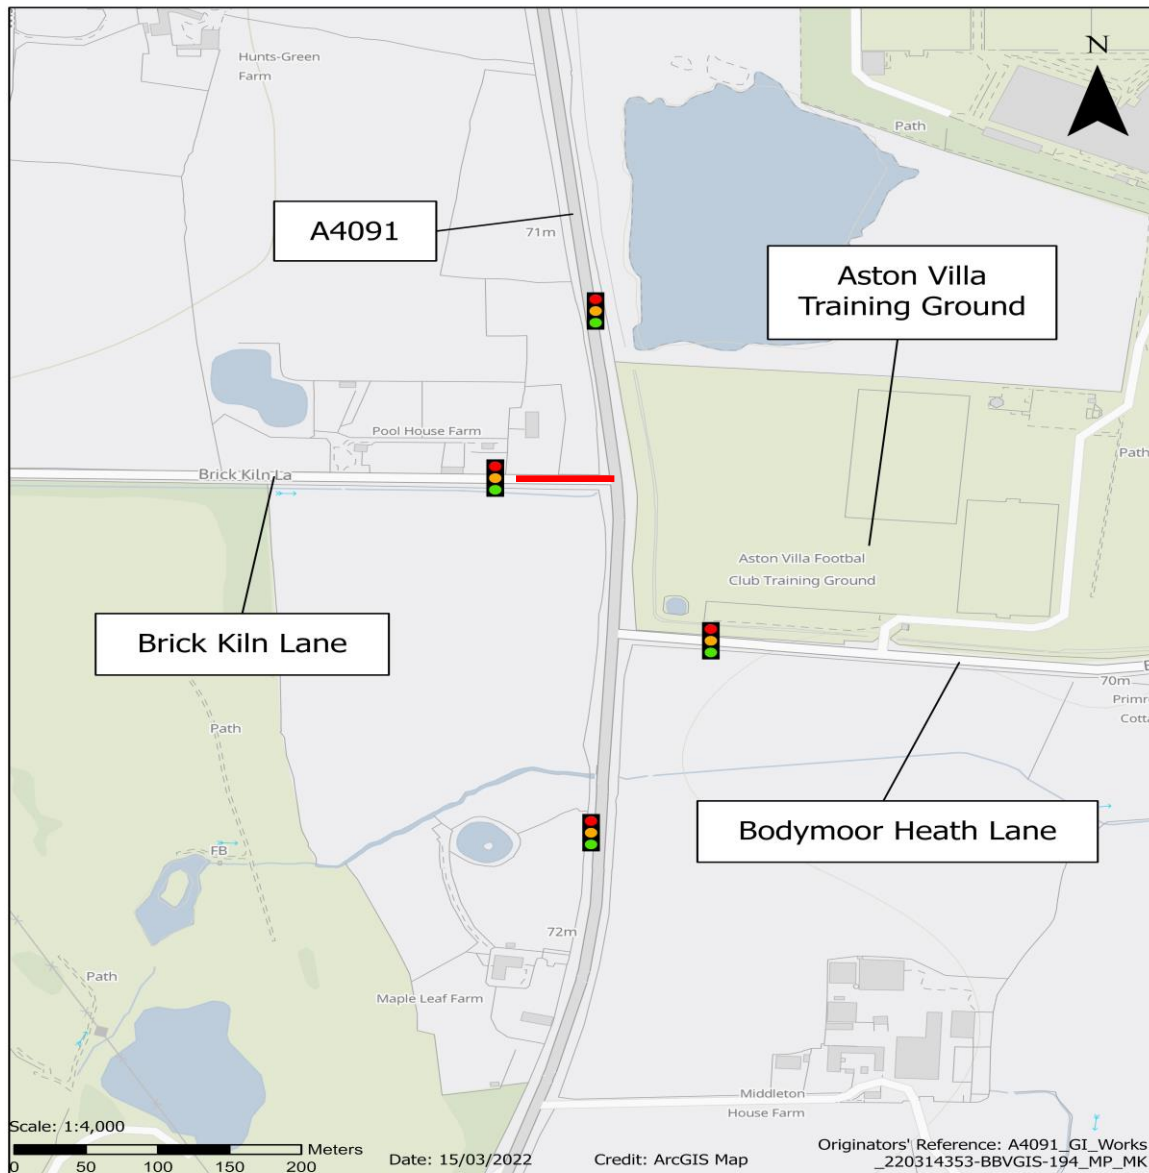

Ask you to register with hs2inwarwickshire.co.uk to receive updates.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
