

## Off-peak and overnight lane closures on M25, Denham to Maple Cross

September 2022 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. Prior to our tunnel boring machines (TBMs) tunnelling under the M25 we installed monitoring equipment in the road. We now need to close parts of the M25 to remove this equipment

### What works are taking place

We now need to remove the monitoring equipment we installed in June and October 2020 at the M25. This survey equipment was used to monitor the passage of our tunnel boring machines as they tunneled beneath the road in June and August last year. The monitoring is no longer needed as data has shown there has been no impact of our tunnelling on the M25.

Work to remove the equipment will start on Thursday 27 October through to Monday 14 November and will see lane closures on both the clockwise and anti-clockwise carriageways on the M25 between Junction 16 (Denham Interchange) and Junction 17 (Maple Cross Interchange).

Details of the phasing, dates and carriageways affected are listed in the table on page two.

Advance warning signage will be put in place prior to the works taking place. Whilst disruption will be kept to a minimum, we would remind road users to plan their journeys and to be aware of the temporary closures of some of the lanes and hard shoulders to allow the removal of equipment and road inspections afterwards to be carried out safely.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

Thursday 27 October to Monday 14 November 2022

### What to expect

Lane closures in both directions during some daytimes and overnight between the following hours:

Daytime – 9.30am to 4pm

Nights – 10pm to 5am

Works in the carriageway

Drivers will still be able to travel in both directions during the works

### What we will do

Manage any impacts such as traffic and noise, with the aim of reducing our impact where we can.

Ensure clear signage is in place for drivers.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

## The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
