

Notice of Lane Closure on A45 Coventry Road

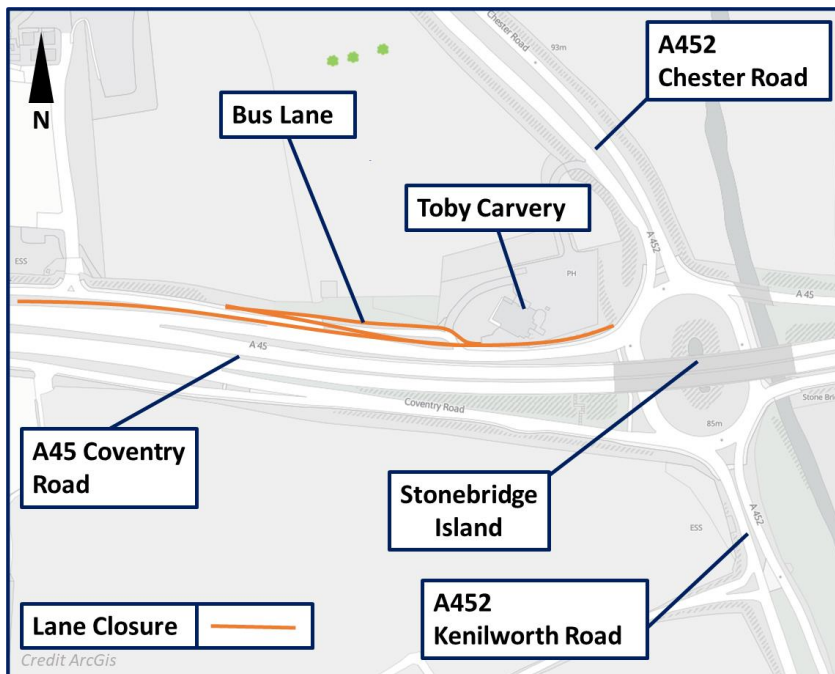

October 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

The work we will be doing

The new railway will pass under the A45 near Bickenhill recycling centre. In order to build the structures to support the road we have to first divert an existing waterpipe. To do this safely we will need to close one lane on the slip road adjacent to the Toby Carvery pub including the bus lane. The lanes will be closed each night from 9pm to 5am from Monday 7 November until the morning of Wednesday 14 December. Please note that access to the Toby Carvery pub will be maintained at all times.
