

Notice of Temporary Traffic Lights on Diddington Lane

December 2022 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area

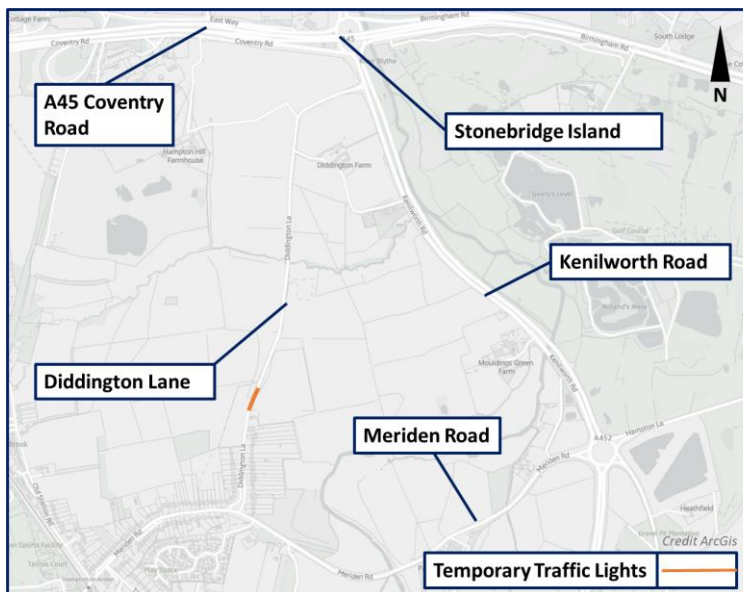

UPDATE

We previously informed you that the temporary traffic management on Diddington Lane would end on 23 December 2022. Unfortunately consent for the permanent access arrangement to this site has not yet been granted and therefore this traffic management will remain in place until the end of April 2023 and only used when necessary.

The work we will be doing

The new railway will cross over the river Blythe on a viaduct. In order to prepare the land for this new structure we will need to build a temporary haul road bridge across the river to reduce the amount of our traffic using local roads. To build this bridge we will need to bring in some materials via a controlled access on Diddington Lane. We propose to install temporary traffic light from 10am until 3pm Monday to Saturday from 31 October until 28 April. The lights will be kept on green for the majority of the time and will only go to red to let the vehicles in and out.

Location Plan

Duration of works

From 31 October 2022 until 28 April 2023. In operation from 10am until 3pm Monday to Saturday

What to expect

Slight delay to journey time if vehicles are entering or exiting site

Low level of noise from our works between 10am and 3pm

What we will do

Keep you up to date with any changes at www.hs2insolihull.co.uk.

Keep all sites safe and secure.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk
